<b>F</b> <b>4</b>	8 Algebra I H Test 10 Spanish Test 11 Spanish MEP Test

## After School Activities

In order to provide the safest environment for the students at MBS, all students are required to follow the established school policy. Students who stay at school past 3:15 need to be here for a reason and can be in an 8<sup>th</sup> hour session, taking a test, using the library or computer lab, participating in an organized school activity or watching a game in the gym. At 4:30 the students need to be in the lobby waiting for their ride.

Children of staff may remain in their parent's class room working quietly.

**AASCA Basketball in El Salvador  
November 2-6**
