## MBS After School Clubs

Dear Parents,

May is here and clubs are again informing parents and students of the current activities. This is the last month of clubs so this is the last chance to give some of these great activities a try. Please review the clubs that your child has signed up for on the slip attached to this form. If you did not receive a slip your child is not signed up for clubs. Also, look at the chart below to see what is new and let us know if your child would like to be added to a club. Please note some changes and rescheduled clubs. Please return the form to Ms. Crook to add you onto the club.

Mark here "X" to add	CLUB	Month /Semester	Day	Grade Level	Where	ADDITIONAL INFORMATION	COST
