

MBS Parent Association Student Scholarship Application

The Parent Association, thru the support of the MBS community, awards scholarships to students with a financial need who are interested in participating in often-costly MBS international activities such as AASCA Leadership, AASCA Sports tournaments, and HACIA Democracy activities.

Once applications are received, a committee will review the application and offer scholarships based on available funds. Priority will be given to students who demonstrate limited resources, are in good academic standing and have been approved by coach or teacher to participate. If you have any questions, please contact one of the members of the Parent Association Leadership Team.
